What Is A Car Club? A Car Club is a group of people who enjoy cars of all types, old or new, like to meet people, and share their interests in cars. People who like to show off their cars.

What Does A Club Do? We have monthly meetings, go on picnics, participate in parades, have cookouts, poker runs, Cruz-ins, and all kinds of activities.

What Kind Of People Join? All types of people who enjoy cars. You can be in any type job, be retired, or live here part of the year. It doesn't take much money to be a member and to enjoy the activities. Just about anyone who enjoys classic vehicles.

My Car Is A Clunker? It doesn't matter. One of the benefits of the club is that you no longer have a clunker! It will be known as a RIP or commonly known as a "Restoration In Progress". Many of our members own or have owned a RIP or have the parts and/or information that you may need for your car.

How Expensive Is It? Not expensive at all. Dues are only \$20 per person Annually (January - December).

Membership includes a Monthly Newsletter and a whole lot of fun!
